AL IZDEHAR CARTON FACTORY

Excellence in Packaging Solutions

● OUR HERITAGE

Founded in **1998** in Amman, Al Izdehar Carton Factory has grown into a trusted name in food-grade packaging solutions. With continuous innovation and reliability, we've earned strong demand across regional and international markets.

In 2020, we expanded to a state-of-the-art facility in Muwaqqar Industrial Zone, integrating advanced technologies that exceed international standards.

Today, our products are exported to the USA, Sweden, Lebanon, GCC countries, and beyond, positioning us as a regional leader.

● OUR VISION

To be a global leader in sustainable and innovative food packaging.

● OUR MISSION

Deliver safe, high-quality packaging solutions through expert talent, advanced technology, and a commitment to health and sustainability.

Guiding principle: "Human health is our commitment."

Quality & Safety Standards

At Izdehar, **quality and safety come first**. Our processes align with international standards, ensuring trust and consistency.

Our Key Pillars:

- **Advanced Technology** – Modern production lines, 24/7 monitoring, in-house R&D & laboratory.
- **Strict Safety Planning** – Anticipating market needs and continuous improvement.
- **Comprehensive Assurance** – Traceability from raw material to finished product.
- **Operational Excellence** – Hygienic facilities, trained staff, FIFO storage, preventive maintenance.
- **Verification & Audits** – Rigorous testing, periodic reviews, and continuous improvement.
- **Documentation & Compliance** – Transparent systems ensuring accountability.

Certifications

- ✓ ISO 9001:2015 – Quality Management Systems
- ✓ ISO 22000 – Food Safety Management

These certifications prove our unwavering commitment to excellence in quality, safety, and customer satisfaction.

Why Izdehar

- Over 25 years of expertise in food-grade packaging
- Cutting-edge technology & sustainable practices
- Trusted by global distributors & leading brands
- Wide range of carton and plastic packaging solutions

Conclusion

With decades of experience, modern facilities, and a customer-focused approach, Al Izdehar Carton Factory continues to lead in providing safe, innovative, and sustainable packaging solutions that meet the highest global standards.
